S. KRISHNA RAO,
Munsiff.

Notification dated 28th May 1906.

Many of the culverts on district roads not being designed to carry the heavy loads of steam rollers or traction engines, the transport of such heavy engines on these roads is attended with serious risk. Any intention therefore to move such engines on these roads should be notified beforehand to the Executive Engineer, Public Works Department, of the District, and his permission should be obtained before the engines are allowed to move on the roads.

J. J. WHITELEY,
Superintending Engineer, Eastern Circle.

WATER-SUPPLY AND STORES DIVISION.

Notification, dated 15th June 1906.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Water-Supply and Stores Division, up to the 15th July 1906, for supply of 3,000 tons of jungle fuel to Pumping Station at Soldevanahalli. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1907.

2. The conditions may be seen at the Executive Engineer's office at Bangalore, between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 500 in cash or Government Promissory notes, as earnest money, and be superscribed "tender for supply of jungle fuel to Pumping Station at Soldevanahalli," in default of which, tenders will be rejected.

391

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

V. RUNGASWAMY IYENGAR,
Executive Engineer.

KOLAR DIVISION.

Notification dated 2nd June 1906.

The attention of the public is invited to the notification in the *Mysore Gazette* No. 23, dated 7th June 1906, calling for tenders for constructing quarters for the staff of the new Hospital at Robertsonpet on the Kolar Gold Fields. Each tender must be accompanied by a deposit of Rs. 1,000 in cash or Government Promissory Notes as earnest money.

K. KRISHNAIENGAR,
Executive Engineer.

MYSORE DIVISION.

Abstract.

Invites attention to the notification published in the *Mysore Gazette*, dated 31st May 1906, page 823, Part II, inviting tenders for repairing Kagalwadi tank, Registered No. 48, Chamrajnagar Taluk.

Notice dated 4th June 1906.

A sum of Rs. 107-6-11 (Rupees one hundred and seven, annas six and pies eleven) being the amount deposited as security, due to Taluk Mestri R. Guru Rao, deceased, is outstanding in the deposit accounts since May 1905.

The legal heir of the deceased is hereby informed that he should present himself before the undersigned with necessary certificate to receive payment of the amount within a month from the date of this notice. Failing to do so, the amount will be credited to Government as unclaimed

B. SUBBA RAO,
Executive Engineer.

MYSORE PALACE DIVISION.

Notification.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Palace Division, at Mysore up to 10th July 1906, for the supply of pipes, valves, etc., required for the Water-supply and Fire Protection Scheme for the Palace at Mysore. An approximate estimate of quantities is given below. These quantities are not guaranteed. Prices to be quoted for delivery at Railway Station at Mysore, and delivery to be completed within two months from the date of acceptance of the tender.

2. The pipes should be in accordance with the specification given below. Separate tenders for steel pipes for 8" main may also be forwarded.

3. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. The tender should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs 300 in cash or Government promissory notes as earnest money, and be superscribed "Tender for the supply of pipes, bends, valves, etc., required for the Water-supply and Fire Protection Scheme for the Palace at Mysore," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
